

Monday 23th March 2020

Dear Parent / Carer,

Message from Mark Wilson, CEO Wellspring Academy Trust

We are in the midst of a national emergency. Our primary duty is to support and protect one another. We seek to do exactly this in all our advice and guidance to you.

The strong advice from NHS England is to stay at home. If you can stay at home: you should. If you can keep your loved ones at home: you should. Below, we will set out our arrangements where there are exceptions to this principle as identified by the Secretary of State for Education.

Any on-site provision at school necessarily assumes that there is a workforce present to staff it. Health & Safety is and will remain our paramount concern – that of any young people in our care and of our staff. School staff stand at the frontline of this national effort. I urge you to show your respect for these very special efforts in these most challenging of circumstances. You can help our schools enormously throughout this period by:

- Abiding by their decision-making
- Refraining from contacting with questions and queries during the school day
- Keeping your child safe at home

It is our aim to maintain a learning provision for everyone. Our staff have been busily training and preparing to provide online learning. Our planning is aimed at providing the maximum possible for your child that staff availability permits for the duration of these unique circumstances.

My sincere best wishes for your continued good health and that of your loved ones,

Mark Wilson
Chief Executive Officer
Wellspring Academy Trust

Week beginning 23rd March 2020

All four Springwell Lincolnshire sites will be closed this week, with all our young people receiving daily communication and work set by their teachers.

Online Learning

Staff will be developing and rolling out this enhanced offer over the next few weeks.

Week beginning 30th March 2020

Due to staff absence, the four Springwell Lincolnshire academies will be working together. From 30th March we will be opening our Lincoln site only. This will be **only** available to those young people that fall into either the critical keyworker or vulnerable categories, where all other options to remain at home have been considered and this is deemed appropriate based on individual needs.

Times of the day

10am until 2pm
